

DARE 2017 Specific Learning Difficulty Attainment Summary Sheet

- All applicants with a specific learning difficulty (SLD) must submit a full psychological assessment report completed by an appropriately qualified psychologist and an Educational Impact Statement.
- Applicants must also have two literacy or two numeracy attainment scores at or below the 10th percentile (Standard Score of 81 or below). Results from schools-based testing and/ or tests carried out by a suitably qualified psychologist may be reported. All testing must have been carried out after **1 February 2015**.
 1. Attainment scores can be entered into Indicator 6 (Specific Learning Difficulty Attainment Scores) by the school using attainment scores from school-based testing carried out on or after 1 February 2015.
 2. Where the attainment scores are from tests carried out by a suitably qualified psychologist, one of the following must be submitted:
 - A full Psychological Assessment Report which contains relevant attainment scores from testing carried out on or after 1 February 2015 OR
 - A fully completed **DARE 2017 SLD Attainment Summary Sheet** OR
 - An equivalent summary report from a Psychologist.
 3. Where a combination of scores from psychologist and school-based testing is being reported, all scores can be entered into Indicator 6 by the school but this must be accompanied by one of the documents listed in point 2 above.

In all cases, these must have been carried out after **1 February 2015**, and all applicants must submit an Educational Impact Statement completed by their school.

- It is the applicant's responsibility to ensure that all sections of the Summary Sheet are completed. Remember to keep a photocopy for your personal records.
