Section C: Evidence of Disability Form 2024

Please return completed pages 4-6 only of this form to CAO.

Instructions for completing this form

This form has a dual purpose. Some Higher Education Institutions (HEIs) operate individual supplementary admissions routes for students with disabilities. This form is used by HEIs to provide verification of the applicant’s disability and helps to determine appropriate supports at third level.

A number of colleges and universities operate a joint supplementary admissions route known as DARE (Disability Access Route to Education). This form is also used by DARE to help assess an applicant’s eligibility for DARE. DARE requires an applicant to submit evidence of disability as part of their application. An application will not be complete until an applicant provides evidence of their disability AND Educational Impact Statement by 15 March 2024. More information on DARE is available from www.accesscollege.ie/dare.

Steps to completing this form when applying to DARE

This short guide to submitting evidence of your disability should be read alongside the information in the DARE Handbook pages 1-20.

Applicants who are unsure about the evidence that they need to supply can contact any member of the DARE team. Contact details for the DARE team are listed in the DARE Handbook and on www.accesscollege.ie/dare.

- The online Supplementary Information Form (SIF) must be completed and DARE Applicants must tick Yes to DARE under Question 1 by 17:00 on 1 March 2024.
- Section B Educational Impact Statement must be downloaded, completed by the applicant’s school and submitted by 15 March 2024.
- Section C Evidence of Disability Form 2024 must also be submitted. Applicants should ensure:
  - it has been completed AND signed by the appropriate professional AND
  - it contains the stamp of the appropriate professional OR is on headed paper OR is accompanied by a business card AND
  - the appropriate professional has filled in all parts of the form AND it is legible.
- Send the original Evidence of Disability form and Educational Impact Statement by post. Faxed/emailed documents are not accepted.
- Keep a photocopy of Evidence of Disability documentation for your personal records and don’t forget to retain proof of postage.

Please Note:

- Section C Evidence of Disability Form is NOT a substitute for a full Psychological Assessment Report or Section D School Statement.
- Evidence from a support organisation is not accepted as verification of a disability.
- Completion and submission of pages 4-6 of this form are required, pages 1-3 are instructions and may be retained by the applicant or professional.

DARE applicants must send the Evidence of Disability & Educational Impact Statement to:

CAO, Tower House, Eglinton Street, Galway by 17:00 on 15 March 2024

### Important note for applicants to DARE with Dyslexia/ Significant Literacy Difficulties or Dyscalculia/ Significant Numeracy Difficulties.

Section C Evidence of Disability Form is not required for applicants to DARE with Dyslexia/ Significant Literacy Difficulties or Dyscalculia/ Significant Numeracy Difficulties.

A full **Psychological Assessment Report OR Section D School Statement** must be submitted as the evidence of disability documentation for applicants with **Dyslexia/ Significant Literacy Difficulties**. In addition, applicants must have two literacy attainment scores at or below the 10th percentile dated after 1 February 2022.

A full **Psychological Assessment Report** must be submitted for applicants with **Dyscalculia/ Significant Numeracy Difficulties**. In addition, applicants must have one numeracy attainment score at or below the 10th percentile dated after 1 February 2022.

These attainment scores can be from one (or a combination) of the following sources:

- Scores from school-based attainment testing
- Scores from attainment tests carried out by a psychologist.
- Testing must have been carried out on or after 1 February 2022 and all applicants must submit an EIS completed by their school.

### General Practitioner (GP) completing this form:

Applicants who have an existing diagnosis but have difficulty accessing the appropriate professional to get confirmation of the existing diagnosis or an updated report may ask their general practitioner (GP) to complete the Section C Evidence of Disability form. However, the following apply:

- **Your GP must have a clear diagnosis of your disability from one of the DARE appropriate specialists/consultants listed. A copy of a document in which your diagnosis is confirmed must be included in your application when using this GP verification.**
- **This document must be signed and dated by the appropriate specialist/consultant. If a time limit applies, the diagnosis or reconfirmation of diagnosis from the appropriate professional must have been made within that time limit.**
- **Your GP does not need to give you a copy of your entire file – a single document which clearly names and confirms your diagnosis, is within the time limit (if one applies) AND is signed and dated by the appropriate specialist/consultant is sufficient.**

For the purposes of DARE, only diagnoses made by a consultant/specialist are acceptable. A diagnosis made by a GP alone will not be acceptable and will lead to the applicant being made ineligible.
